There will be on-duty staff from the wake-up call in the morning until well after lights out. Chaperones are in attendance at all times.

Medical: In addition to the staff, we try to have a certified nurse available. If we do not have a nurse volunteer – medicine will be retained by the staff and the students will self-administer medications according to a schedule identified at registration. At no time will a non-nurse volunteer handle or administer medication.
