

## Massachusetts Lions Multiple District 33 Council Secretary Report 2020-2021

Hello MD 33 Lions, MD 33 Leos, and Guests,

This Lionistic year, 2020-2021, I have had the privilege and pleasure to serve as the Council Secretary for Multiple District 33.

In my position, I have kept accurate records of all the Virtual Council meetings. I have forwarded the meeting minutes to the District Governors and the entire Council. I also emailed the monthly meeting minutes to Lions Clubs International after the monthly Council Meetings.

As the Council Secretary, I have attended all the Council meetings and the virtual Mid-Winter Conferences. I recorded the Multiple District dues for all five Districts sent from the subdistrict club treasurers, and sent the dues checks to Council Treasurer, William Donnellan for deposit. I have assisted the Council Chair, Joan Baptiste, with other duties which were specified by her regarding the District Governors, the Council, and Multiple District 33 Chairs.

It has been an honor and a wonderful opportunity to serve as the Multiple District 33 Council Secretary. I would like to thank our entire Council for making this a great learning experience. I also would like to thank the Lions of District 33S for giving me the opportunity to serve as the MD 33 Council Secretary for 2020-2021.

Respectfully submitted and Yours in Lionism

Debra Grassi
