

State Convention Report Cabinet Secretary/Cabinet Treasurer

It has been my honor to serve the Lions of District 33N as Cabinet Secretary Treasurer. Unfortunately, due to the ongoing pandemic many clubs are not meeting. Our clubs are still hard at work learning to adapt to find new ways to serve their communities safely.

With regards to the details of conducting the district business, I have been working diligently with filing reports to LCI on behalf of the district, organizing cabinet meetings, helping to prepare for the upcoming midwinter convention as well as taking a lead role in promoting communication between the district and the clubs via e-mail, telephone, and social media.

Due to a change in the district budget DG Marcel decided to cover the state and district dues for the second half of the year. I am currently working on ensuring all clubs have paid International dues.

Other duties have included helping to organize district advisories as well as the upcoming midwinter and assisting with social media outreach and preparing for election of district officers at the State Convention.

I would also like to thank the past CSTs and others for their ongoing support and advice. It has been invaluable to me this year and I hope to “pay it forward” to future CSTs.

We will be working on the 4th district advisory and cabinet meeting.

Respectfully Submitted,

Stacie Whittier Cabinet Secretary Treasurer
