MD33 Past District Director's

I am writing this letter to nominate the Bridgewater Academy Lions Club from District 33S for Best Lions Club consideration in the Medium Club category. Using your metrics, I have scored them at 76 out of 100.

Service - 6
Donations - 10
Fundraisers - 10
Visits - 10
Participation - 6
Dues - 10
Reporting - 10
Growth - 4
Public Relations - 10

This Lions Club is very involved in District 33S, holding twinnings, craft fairs, Santa breakfasts, membership nights, and history walks within Bridgewater. The Bridgewater Academy Lions are usually present in numbers (5-10) for Cabinet Advisory Meetings, Midwinter Conferences, and State Conventions (unfortunately cancelled for this year). Their current President (M. Vale Sime) is obviously known throughout District and State Lionism, and is knowledgeable on the many sources of information and support available for Lions and member activities.

I have attached monthly reports and newsletters from this fantastic Lions Club. I hope that you will give them consideration in the selection for the Medium-sized Lions Club category.

Respectfully, District Governor John Babb
